adytum 2005

### Note from the Editor....

As the year comes to a close I am looking back on my past four years here and know that this yearbook will serve as a reminder for all four.

I would like to thank my dedicated and enthusiastic staff who spent hours working with me to put this book together. I would also like to thank all of those who contributed pictures for use in the yearbook. Without you this publication would not be possible.

It has been my honor to design and create the 2004-2005 Adytum and I hope that it will hold an important place in your heart, serving as a reminder of your time at Denison, as it does in mine. Congratulations to the graduating class and good luck to everyone who follows!

These departments often work together to allow students to learn all aspects of their field of interest. For example, theatre students direct their own plays, dance students may choreograph their own work and art students use every part of their life and experience to create their pieces.

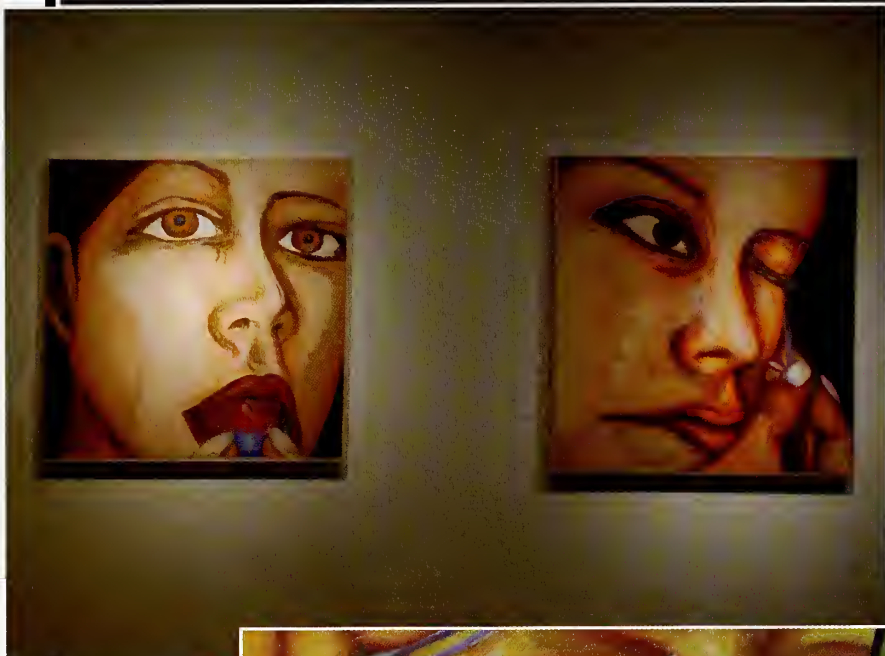

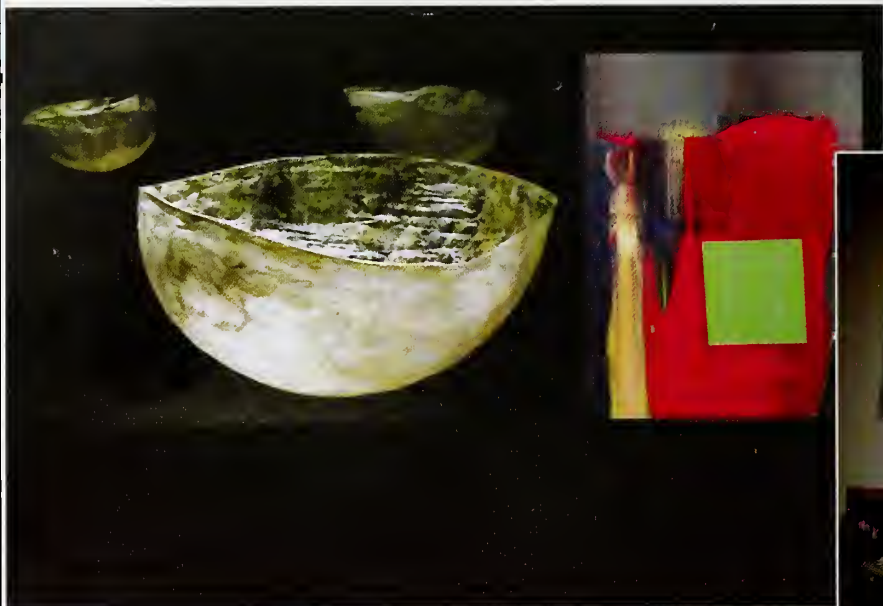

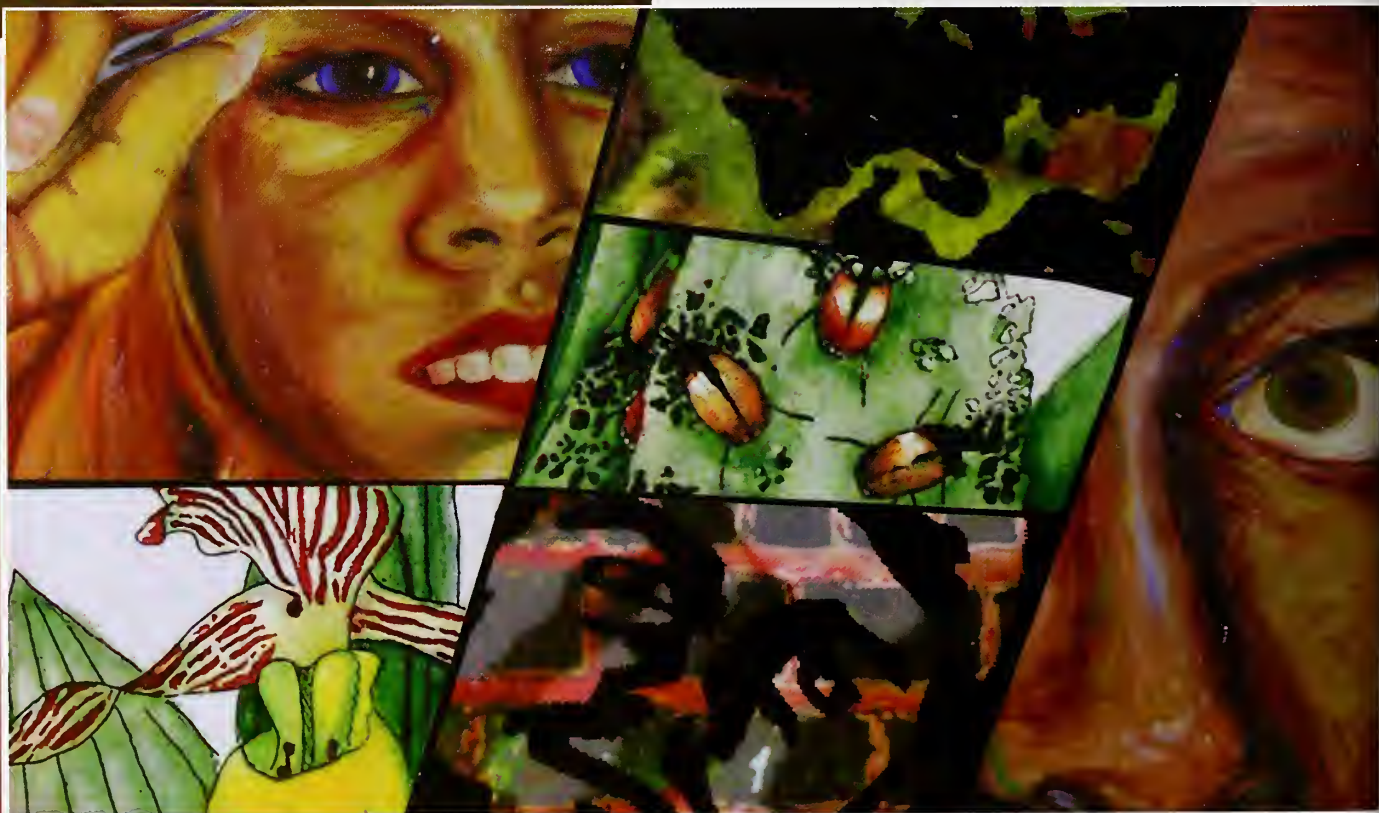

**fine arts**

As a liberal arts school, Denison has a large and prosperous fine arts department. Each year the art, dance, music and the theatre departments put on several shows, performances, or exhibits to display the work of both students and faculty.

# Denison Film Society

**Group (from top to bottom):** Geoff Appel, Aaron Rosenthal, Cassie Revell, Daron Nealis, Aniko Zala, and Zane Householder. **Not Pictured:** Medha Jaishankar, Chris Siegel and stand-in projectionists: Lars Jornow, and Jordan Smith.

# Organizations

The Denison Film Society shows films every Wednesday, Friday and Saturday at 7:30pm in Slayter Auditorium using state of the art 35 and 16 millimeter projectors. We try to bring a wide range of films, but our goal is not merely to entertain you with mindless films that college students love to quote and hang posters of on their walls; we want to show you what is outside of your comfortable knowledge of the seventh art and even dare you to appreciate what else is out there. If later in life someone asks you who Jan Svankmajer or Stan Brahkage is, don't blame us.

- 1: Looks like a normal Wednesday showing in the ol' auditorium.
- 2: Yes, that is 35mm celluloid. So beautiful, I want to swim in it.
- 3: Zane wondered what that smell was before discovering the truth.
- 4: You think we get paid to *just* watch movies?

# Organizations

The A-Team is an acronym that stands for Acting Together Everyone Achieves More. The program is geared toward improving classroom performance by helping children in the program. We hope to enhance study skills, increase proficiency test scores, model positive academic attitudes, encourage an interest in achieving academic excellence and foster the entrepreneurial spirit.

The program is open to all area school-aged children regardless of race, socio-economic status, religion, or creed. At present the A-Team consists of students ranging from pre-kindergarten through second grade at the Par Excellence Learning Center in Newark. Tutors and mentors include students from the BSU in response to the greater number of African-American children in the program, but the committee recruits from the entire Denison community.

Our organization makes weekly visits to a nursing home in Kirkersville, where we provide companionship and activities for the residents. Many of the people we visit develop friendships and often become pen pals with the volunteers during the summer when the group cannot make visits. Nursing Home Companions strive to improve the quality of life for these residents who often do not go on trips or see family.

WDUB 91.1 FM in Granville is Denison University's own beloved college radio station. We are a student-run free format FCC licensed station that attempts to service the surrounding campus and Granville community through creative programming and through spreading important information over the airwaves. We have Disc Jockeys who represent a plethora of diverse musical influences. Our mission is simple: We always strive to share the music that has inspired and bettered our lives with the listening public. WDUB celebrated it's fiftieth year of broadcast a couple years back, and had an excellent reunion of DJ's who have been affected by their involvement in this station over the years of its continuous work on this hill. This summer, WDUB is purchasing a new soundboard for improved operation capacities. Thanks for listening and remember to visit us at [www.wdub.org](http://www.wdub.org) to stream our signal on your campus computer. The Doobie appreciates your support!

- 6: Senior DJs Jordan Smith and Amanda Vajskop enjoy rock music, and enjoy playing it for the public every week.
- 7: Spring semester Newbies pose for a group picture. They will become DJs after a semester of apprenticeship.
- 8: Senior DJ Craig Chosney moonlights in a Flock of Seagulls cover band.
- 9: Junior DJ John Chesky livens up a station meeting by spinning Adam Neizmik on his shoulders while Brian Carsten and Mike Sato look on.

# Water Polo

Denison Club water polo is Denison's highly competitive water polo team. We teach new polo players the sport and the techniques of water polo so that we can compete in as many matches as possible. As a co-ed team we compete against many colleges throughout the state of Ohio and are competitive in all of our matches. This season has lead to a respectable 3-3 record. Our fearless coach, Richard Smillie, and senior women, Alison McQuillan and Amy Burgess, led the team in all of our matches and practices.

# Big Brothers Big Sisters

Big Brothers Big Sisters is a DCA organization that is committed to matching college students with children living in Licking County. Affiliated with Big Brothers Big Sisters of Licking and Perry Counties, students are matched with children who usually come from low-income, single-parent homes. Once a student (Big) has completed an extensive pre-matching and interviewing process, they have the opportunity to be paired with a child (Little) age six to sixteen years in a one-on-one or two-on-one match. Bigs and their Littles can partake in an array of activities ranging from bowling and basketball to campus sporting events and theatre productions. The underlying goal of this organization is to provide a positive role model to a child in need.

# Organizations

As the Denison Campus Governance Association (D.C.G.A.), we are charged to respond to the needs and desires of our fellow students. More specifically, as stated in the Denison Handbook, "the purpose of this organization is to ensure the direct student participation in campus governance to protect the rights of the students of Denison University, and to mind the legitimate needs and desires of the students and manifest them in policy and institutional action." We do this by drafting legislation, preserving the student voice on campus committees, and working with staff, faculty, and administration to enact changes that will better our campus.

The D.C.G.A. is also responsible for financially supporting over 100 student clubs and organizations, which provide the Denison community with opportunities to participate in athletics, write for several publications, volunteer in the local community, learn about various cultures, and attend well-known speakers, among other endeavors.

The D.C.G.A. is an active and effective force on campus, and we hope that you will certainly utilize us to represent your needs and desires during your time at Denison. This is your campus and your government...let the D.C.G.A. know what we can do for you!

## Hilltoppers

The Hilltoppers is a men's student-run a capella singing group that has been in existence at Denison for nearly a quarter of a century. The group's goal as an organization is to entertain as many people and groups as possible.

Student volunteers who work here spend time with children on Tuesday evenings while their mothers attend a support group. Volunteers also take children to activities on the weekends, such as bowling, swimming, or the local park. It has been said that if you want to change the world, make a difference in the life of a child. Volunteering at New Beginnings gives us the opportunity to model good behavior to these children.

# Denisonian

The Denisonian is the student-run, weekly, campus newspaper that is published every Monday during the school year. They serve to keep the student body updated on current events happening on campus.

## Bullsheet

The Denison Bullsheet is a student-run daily publication dedicated to printing news, information and community dialogue. The organization consists of both an editorial staff and a delivery staff. Anyone in the Denison community can submit an ad or an editorial to be printed in the Bullsheet for all to read. The 'Sheet is edited by a different editor each night of the week, and delivered the following morning by a member of the delivery staff. Some of the things that we print are thought-provoking and insightful, but most of it will just make you laugh... hard.

# In Memory of Traci Louise Prince Williams

On this 15th Day of May 2005 we celebrate the life of Traci Williams as a member of Denison University's graduating Class of 2005. While at Denison, Traci left her mark as a member of the Tennis Team, as a Student Representative, as a Residential Advisor and as a tutor. A member of Delta Sigma Theta Sorority, Inc., she kept a strong focus on community service and was a committed friend.

Amazing is the Sister who stands solidly beneath her branches,  
The stimulating bright branches of her own root,  
Which stems and declares her own  
Grace, Strength, and Dignity.  
Amazing is the Delta Woman.

"Far better it is to dare mighty things, to win glorious triumphs, even though checkered by failure, than to take rank with those poor spirits who neither enjoy much nor suffer much, because they live in the gray twilight that knows not victory nor defeat."

-Theodore Roosevelt

# Margrit Brashares - Class of 2005

I've watched you grow,  
Through 22 years.  
We've shared much laughter,  
And also some tears.

From a little girl,  
Blonde and bright.  
To a beautiful woman,  
With a future, just right.

That very first day,  
It was Halloween,  
Carrying you in my arms,  
Mom and Missy, in between.

Twenty-two years have passed,  
You were eager to learn,  
Time to play,  
Time to burn.

Your life and your future,  
Many paths you will choose,  
Sometimes you'll win,  
Sometimes you'll lose.

My thoughts will be with you,  
This Graduation Day.

Face life as an adventure,

For your continued success, I pray!

You were always a leader,  
A social butterfly,  
And I hope you land,  
Just the right guy.

Nothing will replace,  
The times we have had,  
And the good outweighs,  
The little bad.

You're always in my heart,  
Whether here or away,  
I think about you,  
Each and everyday.

To you much success,  
As you walk down the aisle,  
And always keep with you,  
That beautiful smile.

## To my daughter Veronica Sok

Congratulations!

Like every other mother, I say 'where did the time go?' just yesterday you were my little beautiful baby girl in pink. In a wink of an eye, you are about to graduate from Denison University. We, your whole family, have all admired you very much as we watched your struggles these past four years to acquire an education. We know you will go far in this world. Your life was not always smooth but you found the strength to deal with whatever life gave you. We know you are strong when you need to be, very resourceful and one of the kindest people on earth. You are very much loved and cared for. Be assured of our continued admiration and support for you.

Best wishes for a distinguished, productive, safe, and happy life. We love you. Oh yes, your brother said to tell you 'good job'.

Mommy and Family

Dear Veronica,

Where did the four years go? It seems like yesterday we took you to Denison and got you situated. I'm sure with all the homework and projects, you were able to find time for parties, crew, cram sessions, cry sessions and most of all FUN. Now its time for the Real World. Buckle your seat belt, its going to be a bumpy ride. Of course, unless you decide on Grad School... Whatever path you choose, I'm sure it will take you far. Congratulations, I'm proud of you - Jeannie

## Congratulations T.~

*What an incredible four years you have had! We're so proud of you and what you have accomplished. As you go forward keep growing and giving and being your best. Build on your gifts and be true to yourself.*

*May the successes you hold today continue and strengthen as you embark on the next exciting chapter. We wish you a wonderful future as your dreams become reality.*

*All our love always,  
Mom, Dad, Whitney, and Jeff*

***ALL DONE!***

***CONGRATULATIONS REHANA!***  
***Love from Mom and Dad***

Dear Courtney,

You have filled your four years at Denison with wonderful successes. From your impressive academic record, your dedication to the yearbook and your recent acceptance to Teach For America—your accomplishments leave your friends in awe.

As you look toward the future, however vast and unnerving it may seem, seek comfort in knowing that you have your mother's smile to light your way, her eyes to see the beauty in life and my hand if ever you should falter.

Love, Lizzie

Congratulations **Courtney** on graduating from Denison University.

*This has been one of the happiest and saddest days of my life. My happiest was to be able to see you graudate and my saddest because your mother did not live long enough to be there too. From birth your mother and I enjoyed seeing you grow up from a little girl to a fine young lady. We always knew you were something special. You learned how to get rid of a pacifier on your own, you potty trained yourself and even started picking out your own clothes at a young age. Academically you always excelled. I'm sure your mom would agree with me that in the future you will continue to be the fine person you are today. I can envision her looking down on you and saying "Congratulations sweetheart".*

*Courtney, you've always been my #1.*

*Love, Dad*

*Way to go,  
Abby...  
You did it  
your way!*

We love you,  
Mom and Dad

Congratulations

### SUCCESS

To laugh often and much;  
To win the respect of intelligent people and  
the affection of children;  
To earn the appreciation of honest critics and  
endure the betrayal of false friends;  
To appreciate beauty;  
To find the best in others;  
To leave the world a bit better;  
To know even one life has breathed easier  
because you have lived.  
This is to have succeeded.

## Dear Cassie,

On March 10, 1983, a star filled us with happiness as a wonderful child entered our lives to teach us more about life than we ever dreamed we could know! You helped us learn about love and parenting. You were a beautiful baby, a curious and adventurous toddler, a terrific teenager, and you've become an awesome young adult! You are a treasure to us, and we are so proud of you and the beautiful, strong, responsible, independent young woman you have become. You have willingly shared happiness, joy, love, positive modeling, and appreciation of all peoples, as well as love of learning/thinking, while holding family to the highest regard...grabbing life with a contagious enthusiasm, committed to make the most of it, as you were born to do in your great way! We thank you for the blessings you bring to us by being strong, and for keeping your feet firmly planted in the reality of what is important in life. Congratulations on being responsible with commitments, and through hard work, graduating from Denison University. We love you more than words can say...more than more! More than more than more, Dink! Strength, hugs and kisses...

congratulations and blessings!!

Love,  
Dad, Mom, Johnathan and Melissa

**Brandon** (aka "Bud; "Brandon-honey"; "Stone"; "B-Stone"; "Stoner"; etc.),

You have always been humorous, caring respectful, "cute", trusting, hardworking, athletic, daring, and achiever, a best friend to many, a patient listener, and a "dancing-fool".

Now, as this page in your life turns, always remember:

"If you can imagine it,  
You can do it.  
If you can dream it,  
You can become it."

Cheers!!

Love, Mom & Dad

FOREVER YOUNG

May God bless and keep you always,  
May your wishes all come true,  
May you always do for others  
And let others do for you.  
May you build a ladder to the stars  
And climb on every rung,  
May you stay forever young.

May you grow up to be righteous,  
May you grow up to be true,  
May you always know the truth  
And see the lights surrounding you.  
May you always be courageous,  
Stand upright and be strong,  
May you stay forever young.

May your hands always be busy,  
May your feet always be swift,  
May you have a strong foundation  
When the winds of changes shift.  
May your heart always be joyful,  
May your song always be sung,  
May you stay forever young.

You have accomplished so much and never quit when the going got tough. Traveling 2500 miles into the unknown to Denison was a courageous adventure and you have exceeded our expectations. We are so very proud of you and pray all your future journeys will be a blessing from God. This is your beginning, you are prepared, make a difference in all that you do.

We love you,

## *To Denison*

V.E. Field, 1903

To Denison we raise our song,  
Fair college on the hill,  
The name that sets our souls on fire,  
And makes our senses thrill.  
To Denison, my Denison,  
In praise our voices swell,  
The scene of happy college days,  
The home we love so well.

Oh morning glow, which gilds the east,  
Oh sun which shines at noon,  
Oh stars which bloom at eventide,  
Oh radiant glowing moon,  
Look from the pathless, azure dome,  
Shed blessings from above,  
On college halls and college walls,  
The Denison we love.

And when the shadows softly fall,  
O'er hills and valleys dear,  
Across the college campus rings,  
The melody so clear;  
The circling hills throw back again,  
The glad inspiring song,  
And in our hearts to Denison,  
Our praises we prolong.

When from the fold we far shall stray,  
With our souls no longer young,  
We'll ne'er forget our college days,  
These happy scenes among;  
And when our steps have feeble grown,  
Our journey almost done,  
E'en then with fleeting breath we'll praise,  
Our dear old Denison.
